

Be The Change

Courtnie (left) & Katie - Power Team

New Faces in 2023

Courtnie appeared out of nowhere in February asking if she could help. Help out she does! Look for her the next time you visit the warehouse! She will surely brighten your day as she does mine! Katie has joined IDB as a community partner on our strategy and fundraising committee. Her enthusiasm will draw you in! Look for this team on May 4th for the Nonprofit Plaza Party downtown on the Grove Plaza!

Engaging the Community

No Idle Hands Here

With 1000's of diapers donated

The Gift of Giving

Starts with the smallest of donations from the youngest do-gooders to the many organizations setting up diaper drives on our behalf. We have received over 27,000 diapers in the first quarter of 2023. Idaho Diaper Bank thanks all of you for your contributions.

this quarter, we are thankful for our volunteers and over 190 hours of their time spent helping out at our warehouse in the first quarter of 2023.

Our community volunteers ensure donated diapers are sized, counted, bundled, and that requested diaper orders are picked and packed for scheduled once-a-month distribution.

Meeting The Need

New partnerships

We would like to welcome new distribution partners:

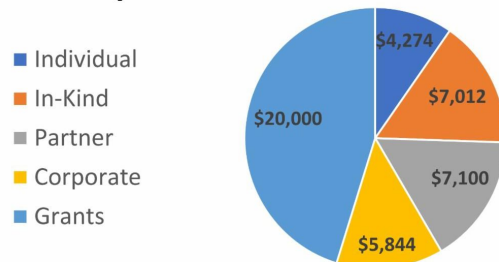

- Ukranian Welcome Center in Nampa
- Stanton Health Care in Boise

Diapers Distributed

With the help of our volunteer group, Order of Malta, we distributed 243,807 diapers and more than 3100 packages of wipes through our partner agencies in Q1!

Sustainability

Q1 Contributions

Total Donations Q1: \$44,688
