Be The Change

Celebrating a Decade of Impact: 2014 - 2024

As we reflect on 2024, we celebrate a remarkable milestone - Idaho Diaper Bank's 10th anniversary! Over the past decade, we have distributed an incredible 7,406,990 diapers, helping to keep 187,164 babies clean, dry, and healthy throughout Southern Idaho. This journey, made possible by our dedicated partners, donors, and volunteers, demonstrates the profound impact we can have when our community comes together.

Gratitude for our Supporters

We are deeply grateful to over 300 individual donors whose generous contributions have made our mission possible in 2024. Your consistent

support allows us to provide essential diapers to families in need with small children throughout Idaho.

We also extend our heartfelt thanks to our corporate sponsors and grantors whose partnerships strengthen our ability to serve our community.

Partner Agency Appreciation

In 2024, through the dedication of our [46 partner agencies](#), we were able to distribute over 1 million diapers to families experiencing diaper need throughout the Treasure Valley. These vital partnerships extend far beyond simple distribution - they are the cornerstone of our mission, creating a network of support that reaches deep into our communities. Our partner agencies not only help identify and serve families in need but also contribute to sustaining our operations through their administrative support.

Each partner agency represents a crucial link in our chain of compassion, ensuring that families in every corner of our service area have access to this essential need. It truly takes a village to support Idaho's families, and we are profoundly grateful for each organization that has joined us in this mission.

Board Member Spotlight

Welcome Alicia Reed! We are thrilled to introduce our newest board member, Alicia Reed, who joined Idaho Diaper Bank in November 2024. Already making waves in our fundraising efforts, Alicia has secured funding from the Enpro Foundation and created several local fundraising opportunities. Her expertise and enthusiasm for our mission are helping us build stronger connections within our community to support more families in need. We're excited to see the impact of her innovative fundraising initiatives in 2025!

Idaho Diaper Bank Runs On Volunteers

In 2024, our mission was powered by the incredible dedication of 325 volunteers who collectively contributed 1,158 hours of their time at our warehouse. These compassionate individuals worked tirelessly bundling diapers, organizing donations, and ensuring that families across the Treasure Valley received the essential diapers they needed. Each hour spent by our volunteers translated directly into helping keep babies clean, dry, and healthy.

Special recognition goes to **Sarah Miller**, our dedicated Volunteer Manager, who coordinates our diaper bundling groups and ensures that every volunteer experience is meaningful and productive. Through her leadership, we've been able to accommodate groups of 10-20 people for 1-2 hour bundling sessions, maximizing our impact in the community.

To our wonderful volunteers: Your commitment to serving Idaho families is truly inspiring. Whether you came with your workplace, school, club, faith-based organization, or family group, each of you played a vital role in our

ability to distribute over 1 million diapers in 2024. You are the heart and hands of Idaho Diaper Bank, and we are profoundly grateful for your service.

If you'd like to join our amazing volunteer team click on the button below to schedule a bundling session for your group.

Urgent Need

While we celebrate our achievements, we face an urgent challenge. Due to the tremendous number of diapers distributed in 2024, we've depleted our inventory and much of our diaper funds. To start the new year we have had to limit our distribution capabilities. We have a growing waitlist of partner agencies eager to serve their communities, but we cannot expand our reach without additional financial support.

How You Can Help

Make a financial donation:

1) Direct donation - scan or click on the QR Code

2) [Start a Virtual Diaper Drive](#)

3) Mail your donation to:

599 E. King St. #150

Meridian, ID 83642

4) Dine out and raise funds for Idaho Diaper Bank - details to upcoming events below.

Idaho Diaper Bank Seeks Corporate Partners

The Idaho Diaper Bank is on a mission to ensure all Idaho babies have access to an adequate supply of diapers. However, we can't do it alone. That's why we are seeking corporate sponsorships to help build capacity and better serve families in need across the state.

43% of all Idaho families struggle to afford enough diapers for their little ones. Without access to diapers, babies are unable to participate in early childhood education programs and parents cannot go to work or school. The Idaho Diaper Bank purchases, collects and distributes diapers to partner organizations that then provide them directly to families in need.

By becoming a corporate sponsor, businesses can make a tangible difference in the lives of Idaho's most vulnerable young children and their families. Sponsorship packages are available at various levels and can include promotional benefits for the sponsoring company. All sponsorships directly support the Idaho Diaper Bank's mission.

Interested companies can contact the Idaho Diaper Bank at Traci@idahodiaperbank.org to learn more about how they can get involved. Together, we can ensure all Idaho babies have a chance to be healthy and happy.

IDB provides access to diapers for families struggling to make ends meet. There are no government subsidies that families in need can use to help them buy this basic necessity for their babies. Won't you **Be The Change** for babies in your community?

Changing Babies. Changing Lives.
